How To Use

Step 1:

Apply BEAVER Hair Building Fibers
Remove the cap and position bottle over your head, holding it at a 45-degree angle. Gently tap the fibers over your hair until the thinning areas are no longer visible and you are satisfied with the fullness and volume of your hair.

Step 2:

Apply BEAVER Fiber Hold Spray
Just use a little bit of Hair Fiber Hold Spray for added control.
If you need to remove hair fibers from your hair, just wash the product out with shampoo.
It is really that easy.

1 step

BEAVER Hair Building Fibers

It is a cosmetic breakthrough that immediately gives men and women thicker-looking hair, transforms your appearance in 30 seconds. Made of pure organic keratin protein, BEAVER Hair Building Fibers are completely undetectable and resistant to wind, rain and perspiration, and easily be washed out with shampoo.

HOW does BEAVER Hair Building fibers work?

BEAVER fibers are made of all natural organic keratin protein, the same protein that hair is made of. The fibers are charged with static electricity so they intertwine with your own hair and bond securely. Just sprinkle the BEAVER fibers. They stay in place all day.
